**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Service is abysmal among mega-providers. Since broadband is critical to my business, we NEED more healthy local competition!!

We increasingly see our government representing Corporations vs. Citizens. I implore you to listen to citizen consumers on this issue. My small company receives exemplary service from a small, local provider and we would suffer greatly from price hikes and/or the lack of competition.

Regards,
